

CHARLES SANGNOIR – BUNKER

[ENG]

'Bunker' is Charles Sangnoir's third solo album; the follow-up on 'Charlie Plays the Blues' and 'On Fire', recorded in Paris between confinements – and using almost exclusively music instruments from the 60's and 70's – is a more intimate and deep record, where rock n roll and blues mingle in a refined fashion with traces of psychedelic and a subtle hint of chanson française.

Charles Sangnoir is a musician and producer from Portugal. He has written music for television, radio and cinema, and has played more than 500 concerts across cities like Lisbon, Oporto, Paris, London, Madrid or Vigo. As a producer, he has overseen the making of over 30 records. He has featured as host pianist in 2 Portuguese tv shows over 300+ episodes, and dedicates himself as well to painting, gastronomy and the esoteric sciences.
